\$20.00 per hour, includes minor changes to text, updates, adding or removing pictures.

Internet Charges

Internet charges vary depending on space needed for website and amount of traffic anticipated.

E-Commerce sites are priced by the hosting company based on the number of items being sold and traffic anticipated.

All internet charges are priced separately from design fees and prices are set by the hosting company and domain registrar.

Domain Registration

\$35.00 per year, 2 year minimum, then \$35.00 per year after that.

Some hosting companies charge lower fees for domain registration if you use their company to host your website.

Monthly charge to host your website begins at \$5.00 per month (paid annually).

E-Commerce web hosting fees begin around \$100 per month.

Hosting Setup Fees

Begin at \$20.00 (one time charge). This charge is higher for E-Commerce.
